SUMMARY:

Front-end Software Developer with 2+ years of hands-on experience in designing and developing dynamic,user-friendly web applications using modern frontend technologies, such as Angular ,Node.js , JavaScript, HTML5, CSS3, TypeScript, and MySQL.

Skilled in building responsive interfaces and delivering seamless user experiences.

TECHNICAL SKILL:

- Angular, Node.js, Ionic, TypeScript, JavaScript
- jQuery, HTML, CSS, Bootstrap, MySQL

EXPERIENCE:

Software Intern | Techriff | Feb 2025 - Present

- Enhancing knowledge in Angular and TypeScript through hands-on learning.
- Practicing building components, routing, and services in Angular.
- Learning backend development using Node.js and Express.js.

Associate Software Engineer | Cognis Solutions Pvt.Ltd | May 2023 - Dec 2024

- Developed and maintained responsive web applications using Angular and Node.js, enhancing user experience and performance.
- Collaborated with cross-functional teams to gather requirements and implement new features.
- Wrote clean, maintainable and conducted code reviews to ensure quality and adherence to best practices.
- Developed reusable components and services, improving code efficiency and reducing redundancy.
- Implemented RESTful services to communicate with backend systems ,improving data handling efficiency.

PROJECTS:

E-Commerce - Front End Development

Tech Stack : jQuery, JavaScript, HTML,CSS

- Developed a web application for booking shipping containers, enabling users to reserve and manage container space on various vessels.
- Implemented features such as user registration, container availability search, booking confirmation.
- Integrated with backend services to provide real-time updates on container availability and shipping schedules

School Mobile App - Front End Development

Tech Stack : Angular, Ionic, JavaScript, TypeScript, HTML, CSS, MySQL

- Developed a mobile application for managing school operations using the Angular and Ionic framework, providing users with a seamless experience across all devices.
- Features included student enrollment, attendance tracking, payroll, certificate generation and grade management, enabling easy access for teachers and administrators.
- Focused on responsive design to ensure usability on both smartphones and tablets.

EDUCATION:

- Indira Gandhi Institute of Technology, Saranga | BTech | Aug 2018 - Aril 2021
- Maharaja Polytechnic, Khurda, BBSR | Diploma | Aug 2014 - March 2017
- Banchhabata High School,BBK,Jajpur | Schooling | May-2014
